* Note: Apparently, we were severely undercharged for our SHOUTcast hosting—so much that they had shut our service down for a day until we “caught up” with our payments. Thus, we had to make numerous payments to our host to “make-up” for the undercharges from previous months. This is why we had a lot of “Server Payments” for the month of March.

Thank you to all who made donations for this month! We really do appreciate it!
